**ORDERS SOUGHT**

- 1 The court order an interstate judge be appointed to hear the matter or the matter be transferred to the Federal Court of Australia given Chief Justice Tom Bathurst wants me jailed for calling him a paedophile and/or calling 17 other NSW Judges/Magistrates/Registrars paedophiles or alleged paedophiles in an email I sent to them and published on my website in September 2016. This is confirmed in a police statement by Principle Registrar Chris D'Aeth of the Supreme Court of NSW.
- 2 The Police subpoena by Seven Network and Ors be set aside as it is an abuse of process, massive overreach, there is no forensic purpose and it is nothing but a fishing expedition to get my journalistic sources for stories regarding corruption at Seven as stated by Justice Lucy McCallum.
- 3 The matter be adjourned until the applicants serve me with all court documents which they have for the last month refused to do so and until I have had time to consult legal advice.
